NARRATIVE:

Robert Edwards is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include possession of controlled substances with priors, transport and sales of marijuana, grand theft, possession of dangerous weapons, petty theft, vehicle theft, false ID to a peace officer, possession of a switch blade knife, PCP use and receiving stolen property. He has served multiple state prison terms, the longest being a 4 year term for transport and sales of marijuana. Edwards was released from state prison to the supervision of the Los Angeles County Probation Department on January 23, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2016 after he absconded from post release community supervision (PRCS). Edwards qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transport and sales of marijuana is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
